

### Local sports sponsorship

Baker Estates has supported Honiton Junior Rugby Club, Honiton Cricket Club, Rowcroft Hospice and Admiral Nurse initiative **over £16,000** in total

### Education Contribution

**£759,000** (Devon County Council; towards enhanced local education)

### Sports Pitch Contribution

**£210,000** (East Devon District Council; towards enhancement, maintenance of sports pitches)

### Off Site Affordable Housing Contribution

**£500,000** (East Devon District Council; towards the provision of affordable housing with the district)

We are currently building 291 new homes in Honiton at Hayne Farm, and committed to give £100 to the Honiton Admiral Nurse Campaign for every open market plot sold. When all homes are completed, we will have contributed over £20,000 to support the worthy charity.

We have also strengthened our commitment to support Rowcroft Hospice in 2020 by naming the organisation our main charity of the year having raised £13,000 last year.

Our site manager at Hayne Farm has won a NHBC pride in the job award for the build quality of our development.

*“ This is good news for Honiton Primary School, but most importantly good news for pupils who will go there in future years contributing to giving them the best possible start to their education in well equipped, modern classrooms.”*
